

# 14 WE ARE BIRDWATCHING

1 Look, listen and read. *Dívej se, poslouchej a čti.*

## Nick:

It's Saturday morning and we are birdwatching with my uncle again. He's got a big garden and there is a place with three feeders. He puts food for the birds there. We are wearing anoraks, gloves and woolly hats. It's cold but it is not freezing. The sun is shining and it's not windy. We are standing in a special wooden shelter close to the feeders. There's a small narrow window in the shelter. We do not need any binoculars. Andy and my uncle are taking photos. Me, Ann, Eve and Simon are watching the birds. There are some robins, blackbirds and also some colourful goldfinches. And a woodpecker is climbing the tree next to the feeder. The birds are really beautiful. Poor Steve. He's not watching birds with us today. He is ill and he is probably lying in his bed and sleeping at the moment. What bad luck!
