LISTENING

The day of the mice

a Oh no! The cat is away and there are 20 mice in the kitchen. In this picture, you can see only ten. Find them and say where they are:

There's a mouse on the chair.

There are two mice ...

b Now make a copy of the kitchen picture. Listen to the text and draw in the other mice. Here's how you can draw a mouse:

c Now you can say where all twenty mice are.
