

Welcome back to your English class! How was your summer holiday? My name is Trundle and I am twelve. I am a tortoise, as you can see. I am quite clever and funny. I am your friend in this new book, together with Jenny, Sally, Debbie, Nick, Ben, Sanjay and Sita. Look at the next page to meet them.

Dear pupils, we are here to help you with grammar. We are the great and famous Circus Grammaticus.

Have a lot of fun with English. Enjoy your lessons. And see you soon.
