## UNIT 5

1

**Debbie** There are lots of cars on the road this morning.

**Sita** Oh, Debbie, don't be silly. Hoole Road is always like this. I never ride my bike here – it isn't safe!

**Debbie** Drivers have to be careful when there are bikes on the road.

**Nick** And they mustn't drive so fast. Look at that car.

**Sita** Oh no! Look at that girl on the bike!

2

The three children ran to the girl. She was on the pavement, with her bike next to her.

'My leg hurts,' she said.

'I think it's broken,' said Sita.

Debbie knew what they had to do. 'Sita, stay here with her,' she said. Then she and Nick ran and looked for a phone box. They had to phone 999 for the police and an ambulance.
