## Accident in Church Street

Yesterday at 8.30 am there was an accident between a (1) and a (2) in Church Street. A woman was hurt, police say.

13-year-old Sally Marks of 37 Chestnut Road saw the accident: "It was terrible. I was at the (3) when it happened. This blue (1) turned into Church Street and drove into the (2). It all happened very fast. Suddenly the (2) was on the (4) and there was a fire.

I ran to the (5) and phoned 999. The (6) came very fast, and the (7), too. But the (8) were a bit slow."

Police say the woman on the motorbike, Miss Susan Wright of 101 Sand Street, had a broken (9). She was lucky – she had a (10) on. The driver was not hurt.

Zkratky am a pm  
(píšeme také a.m.  
a p.m.) pocházejí  
z latiny. Další velmi  
běžné latinské  
zkratky v anglickině  
jsou e.g. a etc. Zjistí,  
co znamenají.

Všimni si, že číslo  
domu se v angličtině  
adrese na rozdíl od  
češtiny píše před  
jménem ulice.  
37 Chestnut Road  
je tedy Kaštanová 37.
